Circle Circle dot dot's Mission

Circle Circle dot dot engages audiences by creating original Theatre devised from the stories of our community. We allow each new development to be entirely collaborative and inclusive with a broad scope of the art world. We do this to bring Theatre back to the root of what has always made it important: the ability to allow the world to see and understand itself through stimulating, informative, and highly entertaining art.

Want to make sure Circle keeps spinning?

Please consider making a donation to our company by going to www.Circle2dot2.com and clicking the donate button at the bottom of the home page.
