SHOLEM ALEICHEM

Born in 1859 as Solomon Naumovich Rabinovich, Sholem Aleichem wrote under a pseudonym when he started

publishing work in Yiddish instead of the more respectable and liturgical language of Hebrew. The translation of his chosen name means "peace be upon you" in Hebrew which was considered a

greeting in slang and was more appropriate for his writings in the more cultural language of Yiddish. By 1890, he had become one of the most prominent writers of Yiddish literature. The tales of his most well known character, Tevye the Milkman, are what serve as the inspiration for the film and musical *Fiddler on The Roof*. Sholem Aleichem died of tuberculosis in New York on May 13, 1916. In his will he expressed the wish, "Let my name be recalled with laughter." To this day his name is remembered with the heartbreak of the Jewish people as well as the laughter of joy and celebration.
