# Art of Élan

*bringing back the excitement of classical music*

**F**or the past 6 years, Art of Élan has been pioneering unique chamber music events and bringing the excitement of classical music to diverse audiences. Created by violinist Kate Hatmaker and flutist Demarre McGill, Art of Élan is continually expanding the scope of classical music in San Diego through innovative programming in unique performance venues. In a continued partnership with The San Diego Museum of Art, the 2013-2014 "Reflections" season presents four concerts that create a musical lens through which to explore what it means to be human.
